

**MULTI PURPOSE MOUNTING BRACKET**  
*Perfect for many different installations and simple and quick to Install*

**INSTRUCTIONS**

The Multipurpose Bracket can be used on any Flat Surface, any Projector Pole, in Structured Wiring Panels even behind TV Display Monitors for Vertical Mounting an Amplifier.

**Pole Mount  
Multi Purpose Bracket  
Part # NB-MPB-P**

**PARTS**

- (1) Multi Purpose Bracket
- (1) Pole Bracket
- (1) Adhesive Strip for 1 1/2" Pole
- (2) 8.32 x 3/8" Pan Head Screws
- (2) 4.40 x 3/16" c/s Screws  
(for attaching an Amplifier to the Bracket)

**Joining Kit  
Part # NB-MPB-JK**

**PARTS**

- (2) Hex Spacers
- (4) Washers for Hex Spacers
- (4) 8.32 x 3/8" Pan Head Screws

**NB-MPB Multi Purpose Bracket  
for Mounting our Amplifiers  
to any Flat Surface  
Part # NB-MPB**

**PARTS**

- (1) Multi Purpose Bracket
- (2) 4.40 x 3/16" c/s Screws  
(for attaching an Amplifier to the  
Bracket)

Note: **The Adhesive Strip** should be wrapped around the Pole before attaching the Bracket as this stops it from slipping.

**Multi Purpose Bracket for VESA Plates
