

# MULTI PURPOSE MOUNTING BRACKETS

Flat Surface, VESA or Pole Mounting , You Choose

## DESIGN

The Multi Purpose Brackets can be used on any Flat Surface, any Projector Pole, in Structured Wiring Panels even behind TV Display Monitors Making it easy to Mount any of our Amplifiers.

### INSTALLING OUR AMPLIFIERS

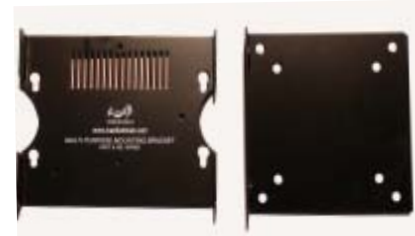

It's simple to install any of our Amplifiers on any Projector Pole or Flat Surface. It's also just as simple when using either VESA Plates and the Multipurpose Bracket to attach any of our Amplifiers on to the Back of a TV Display Monitor. In the case of a TV Monitor the entire assembly adds less than 2" to the depth.

NB - MPB-P
