Cell Phone Tray

Gooseneck Lamp Holder

USB Accessory Port  
The Gooseneck Lamp fits into the USB Port which is also used for charging the Portable Flashlight

17" Extra Long, Wide Spreading Gooseneck Lamp with 10 LEDs For Superior Light Output

Rear Cap is removed for charging which takes about 10-15 minutes

Portable Rechargeable LED Flashlight puts out 53 Lumens for super bright lighting which lasts about 2 hours before it needs recharging, which only takes a few minutes to be fully charged. The Flashlight can be attached to the Headband at any time for hands free use.

**MORE POWERFUL THAN ANY OTHER GOOSENECK LAMP**

**500 Lumens Output**

Close up showing the 10 LEDs

Our 10 LED Flexible Gooseneck Lamp with its extra long 17" Flexible Shaft puts out 500 lumens of light with a wider and brighter output than any other Gooseneck Lamp

**ADJUSTABLE ANGLE HANDS FREE LIGHTING**

### ABOUT THE CELL PHONE CHARGING PORT & TRAY

The Built In Power Supply of the 19" Racklight provides about twice the Charging Power compared to the USB Port of a Computer. This allows your Cell Phone to be charged in about half the time.
